Location

Master Chia's workshops will take place at F2 Centre , Reuben Plaza, Rialto, Dublin 8. This is about a 25 min walk from the city centre (from Christchurch Cathedral) or you can avail of public transport.

Transport

Luas/ City Centre Tram: The Luas Red Line stops right beside the F2 Centre. Get off at the Fatima Stop. It's a 2 minute walk to the F2 Centre from there. The Luas is the most reliable form of public transport with a high frequency of trams.

You can avail of any of the Park + Ride options for the Luas Red Line if travelling from outside of the city - Red Cow, Cheeverstown and Tallaght. Check Luas website for rates.

Train: Both Heuston Station and Connolly Station are connected to the F2 Centre by the Red Line Luas. Heuston Station is within walking distance - 20 minutes walk.

Travelling from Europe

A number of low cost airlines operate between Europe and Dublin e.g. Aer Lingus, Ryanair, Flybe, Norwegian Air.

Getting To and From the Airport

Dublin Airport is located approximately 10 km north of Dublin city centre. It can take anything from 30 minutes to over an hour to get from the airport to the city centre depending on traffic, which tends to be worse early morning and between 5 and 7pm.

Buses: Airlink Express or Aircoach will bring you directly to the city centre. Airlink goes to Connolly Station & Heuston Station. Aircoach goes via O'Connell St and provides a 24 hour service.

Taxis: There are taxis available just outside the airport terminal. A taxi to the city centre will cost you approximately €40.

*NB: Please do your own research before booking accommodation. I have not personally stayed in any of these places so I recommend that you check reviews on TripAdvisor, Booking.com etc before making a final decision. **NB:** Also please be aware that there are a number of big events happening in Dublin that weekend so early booking of accommodation is recommended.*
